Welcome

Dear Friends,

Welcome to the ninth season of the World Aquatics Artistic Swimming World Cup!

This year, we are thrilled to see a truly global competition across four continents, offering a stage for extraordinary performances and a pathway to the World Aquatics Championships – Singapore 2025.

The Artistic Swimming World Cup 2025 series will begin in Paris, France (28 February – 2 March), continue in Hurghada, Egypt (11-13 April), and Markham, Canada (1-3 May), before culminating in the Super Final in Xi'an, China (13-15 June).

It is fitting to start this season in Paris, a city that recently celebrated the triumphant Olympic Games Paris 2024. With artistic swimming capturing the world's attention this summer, including China's historic first-ever Olympic golds and medallists from three continents, we look forward to witnessing the sport's continued global growth. The competition will take place at the iconic Piscine Georges Vallerey, a venue steeped in history and carefully renovated for the centenary of the 1924 Olympics.

The series then travels to the stunning resort city of Hurghada, Egypt. Following the success of the Egypt Aquatics Festival and several other competitions for our aquatic sports, we are thrilled that we can return to Hurghada, which promises to bring a truly vibrant atmosphere.

Next, the competition will head to Markham, Canada, where the artistic swimming community will be welcomed for a third consecutive year. Markham has quickly established itself as a trusted and enthusiastic host. I look forward to seeing athletes and fans enjoy a brilliant few days in the city.

Finally, the world's top 12 National Federations in each category will meet in Xi'an, China, for the Super Final. As a debut host of the World Aquatics Artistic Swimming World Cup, there is history to be made. It will no doubt be a fitting finale to a spectacular celebration of the world's best artistic swimmers.

As ever, none of this would be possible without the dedication and hard work of our Local Organising Committees, local authorities, volunteers, and the international media. Your support ensures that artistic swimming, and our global community, continue to strengthen. Thank you for your invaluable contributions.

To all our athletes, I wish you the very best in your preparations and performances and to our community around the world, I hope you enjoy a fantastic few weeks of competition where we are once again 'United by Water'!

Sincerely,

Captain Husain Al-Musallam
President, World Aquatics
